

# WAVES OF WONDER

RELAX AND ENJOY CALMING BAY VIEWS AT THE LUXURIOUS ELOUNDA BEACH

The coastline of Crete is one of the most beautiful in the world. That's why it's the star feature of the glamorous Elounda Beach; every area of the hotel is graced with reflective glass and see-through panels to make the optimum use of its delightful location.

But look beyond the scenery and there's plenty more to enjoy. Elounda Beach, member of the Leading Hotels of the World, has a dazzling array of accommodation available, from simple spacious waterfront rooms to top-end Platinum Club suites with their own terraces, gardens, pools, personal chefs,

trainers – and even musical entertainment. In 2008, the Yachting Club accommodation will open and will offer the utmost in luxury design and amenities

Guests at Elounda Beach would be missing out if they chose not to take advantage of the heavenly on-site spa and its pampering Espa treatments, which will help you to relax and recharge as you lie back and enjoy the view. Dining here is also a delight – with five excellent restaurants to choose from, including the Modern Mediterranean flavours of Dionyssos Gourmet Restaurant, and the authentic Eastern delicacies of Blue

Lagoon Polynesian Restaurant & Sushi Bar.

Evening relaxation is taken care of, with the Veghera bar that takes full advantage of the surrounding ocean. And, with plenty of facilities for sports and leisure pursuits in the vicinity, there's always something to keep even the most restless souls entertained.

Combine all this with the most attentive and pampering staff, and you have the perfect holiday destination – in the unparalleled surroundings of the glorious Cretan seaboard.
