Elounda Beach Hotel is located only 8 km from the cosmopolitan port of Aghios Nikolaos and 1.5 km from the picturesque fishing village of Elounda. Group or private excursions to archaeological sites such as the Minoan Palace at Knossos, Malia or Phaestos can be arranged by our Guest Relations Department.

Shopping

Amid the gardens of the Elounda Beach, the architect has created a reproduction of a traditional Greek island village in miniature, built around a square with a carob tree at its centre. The village provides a perfect shopping centre complete with boutique, jewellery shop, kiosk and newsstand, as well as a museum of traditional Cretan art and the hotel's very own chapel.

Golf

The “Crete Golf Club” is located only 40km from the Elounda Beach and has 18 holes, built in an exciting desert style design. The course offers dramatic views and truly tests every aspect of the golfer’s repertoire. Our Guest Relations Department will be pleased to make all arrangements.
